Modern, modular, circular bench seating in a large low size with Blackbutt hardwood battens and a steel frame available in 27 powder-coat colours.

---

## Description

Connect circle large low modular bench seating is versatile, durable, and sustainable, making it suitable for a wide range of outdoor or indoor spaces. This can be used as a stand-alone product or paired with the range of 18 seating modules, consisting of geometric shapes, and interlocking elements that can transform any public space into a social hub.

Choose from circular or oblong seating designs with integrated urban planters and tiered heights to create simple to complex configurations. Designed in-house and made locally, Connect features certified Blackbutt hardwood battens with bullnose edging and a steel frame in 27 VOC-free powder-coat colours that can be customised to suit your project.

---

## Sustainability

### Certified Hardwood

Blackbutt is locally sourced and certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.

### Recycled Materials

We locally source our steel. It means we know it uses recycled content and is 100% recyclable.

### Low Pollutants

Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).
