NEXUS 120° BIN

Bins » Litter Bins

Modern, modular 120° bin for general waste and recycling. Mix and match multipurpose compact laminates or solid surfaces with powder-coat colours.

Description Modest modularity and organic forms define the Nexus 120° litter bin for general waste and recycling that can be integrated with other modular lounge seating elements, tables, planters and litter bins that interconnect in multiple ways to become a central meeting place in a range of indoor spaces. Suitable for shopping centre breakout areas, educational collaborative spaces, transit zones and commercial lobbies, Nexus is both highly versatile and flexible. Available in an extensive range of hard-wearing materials, finishes and colours, Nexus can be customised to suit your next interior project.

Made In Australia

Dimensions 1130mmW x 655mmD x 730mmH

Sustainability

Certified Materials

We use multipurpose compact laminates and non-porous solid surfaces that carry internationally recognised Environmental Product Declarations (EPDs).

Recycled Materials

We locally source our aluminium. It means we know it uses recycled content and is 100% recyclable.

Low Pollutants

Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).

Warranty

2-year warranty. View the [warranty](#) for more details.

Lead Time

6-8 weeks

Assembly & Delivery

Shipped fully assembled on pallets.

Fixing Detail

Freestanding only - loose on glides. Modules are fixed together by ratchet connectors.

Care Instructions

Multipurpose Compact Laminates | Laminex®

A damp cloth will remove spills and greasy spots. Rub with a clean dry cloth to bring back brightness. Occasionally clean with mild dishwashing detergent. To remove heavy build-up of dirt use cleaners such as Mr Muscle, Windex, or Ajax Spray n Wipe spray cleaners.

Do not use strong acidic, alkaline cleaners or bleach for normal cleaning as these might etch the surface.

Solid Surfaces | Corian®

Generally, when caring for Corian always start with a simple clean eg. using a damp sponge or cloth. Avoid using abrasive scouring pads for routine cleaning. Rinse clean.

For a deep clean of stubborn stains, a more thorough clean and refresh using a mild abrasive cleanser is recommended like Gumption, JIF Cream Cleanser or Ajax cream or powder cleanser. Firmly wipe with a damp cloth using a wide circular motion. Always finish by rinsing and wiping your surface with a damp cloth or sponge.

Powder-Coat Finishes

Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.
