BONDI BIN

Bins » Bin Housings

Compact single, double litter bin housings with hood. Panels in hardwood, Duraslat™ XG or v-groove compact laminate colours and powder-coat finishes.

Description Designed with Australia's most famous beach in mind, the Bondi single and double bin with a hood proves that litter bin housings can add to the aesthetics of outdoor public spaces. Its compact profile, curved corners, cut-out designs, plus a hood make it a sleek and versatile waste management option. Finishes include 5 hardwood, 5 Duraslat™ XG or v-groove compact laminate colours and 27 powder-coat finishes.

Made In Australia

Care Instructions

Hardwood

Cleaning

Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.

Oiling

Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour.

To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required.

Duraslat™ XG

Cleaning

Simply wash down occasionally. Do not use high pressure cleaners.

Powder-Coat

Cleaning

Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

Customisable

Various door panels and an extensive colour selection is available making Bondi flexible to your style. We can customise signage to your requirements.
