Finishes

Stool Top

Options as specified: hardwood, [compact laminates](#), [Lightblocks boards](#) in 19 colours (with a ply, white or black core), moulded resin, or Stratek 3D laminate or upholstered. Select a fabric from [Baresque](#), specify a fabric or supply your own.

Top Plate

280mm square zinc plated, pressed steel

Post + Coverplate

Stainless steel, satin polished or powder-coated

Foot-ring

Cast aluminium, polished - powder-coated finish is available on request but as the foot-ring is a wearing surface polished is recommended for durability.

A wider selection of materials is available.

Sustainability

Certified Materials

All hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.

We use laminates that carry internationally recognised Environmental Product Declarations (EPDs).

Recycled Materials

We locally source our steel and aluminium. It means we know it uses recycled content and is 100% recyclable.

Low Pollutants

Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).

Warranty

2-year warranty. View the [warranty](#) for more details.

Lead Time

3-4 weeks

Fixing Detail

Concealed surface fixed by others. Anchors not included.

How to Specify

Select your base finish
Select your top finish
Select your footrest finish

Customisable

Made in-house locally, we are able to customise the stool height to your specification.
