Fixing Detail Freestanding only - loose on glides.

How to Specify Select your leg finish
 Select your fabric

Care Instructions Baresque Upholstery Fabrics
Use a cloth with any of the following in preferred order of use:
1. Clear warm water
2. Mild solution of liquid detergent and warm water
3. Isopropyl Alcohol (rubbing alcohol)

Remove any detergent with a clean, damp cloth. Gently pat dry.

For more difficult stains, dampen a soft white cloth with a solution of household bleach (mix 10% bleach with 90% water). Rub gently. Rinse with a water dampened cloth to remove bleach concentration.

Do not use solvent based or concentrated abrasive cleaning agents, lacquer thinners or nail polish remover as these may cause discolouration over a period of time.

Always test in an inconspicuous area first.

Customisable Mix and match two tone fabrics, contrast piping or adding buttoning to the backrest.

Minimum order quantity of 10.
