Contemporary table design. Light in scale. Hardwood, Duraslat™ battens or slotted compact laminate with a slim-line steel frame in a range of finishes

**Description** Slim-line steel framing together with linear battens or slotted compact laminate provide the Alfresco table with a contemporary aesthetic that is light in scale. Battens in hardwood or Duraslat™. Frame finishes include satin polished steel or 27 powder-coat colours. As its name implies, Alfresco is suited to outdoor communal dining, ideal for educational or corporate campuses, bars, cafes, and restaurants.

## Sustainability

### Certified Hardwood

All hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.

### Recycled Materials

We locally source our steel. It means we know it uses recycled content and is 100% recyclable.

Duraslat™ XG is made from 90% of recycled hardwood fibres and reclaimed plastic materials, which reduces demand for virgin materials.

### Low Pollutants

Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).

---

## Warranty

2-year warranty. View the [warranty](#) for more details.

---

## Lead Time

6-8 weeks

---

## Assembly & Delivery

Shipped fully assembled on pallets.

---

## Fixing Detail

Supplied with glides for loose use as standard. Optional fixing tabs can be added if you require this item fixed for security.

---

## How to Specify

Select the standard size or specify your length, depth and height  
Select your top finish  
Select your frame finish  
Select your fixing type

## Care Instructions

### Hardwood

#### Cleaning

Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.

#### Oiling

Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour.

To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required.

### Duraslat™ XG

#### Cleaning

Simply wash down occasionally. Do not use high pressure cleaners.

### Powder-Coat

#### Cleaning

Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

---

## Customisable

As this item is made to order locally, custom sizing is available and the top finish can be custom specified finishes such as - laminates, stone, Stratek 3D laminate, granite, Lightblocks, tiled and much more, please contact us for information.

---

## Additional Comments

Hardwood is treated with a UV-resistant oil finish.
