# STOKED FIXED TABLE BASE

Tables » Table Bases

Fixed table base with minimalist profile that is highly versatile and customisable. Steel base in 27 powder-coat colours or satin polished finish.

**Description** Minimalist in profile, the Stoked fixed table base is a classic design that keeps rows of tables visually neat and tidy. Stoked is highly versatile and durable for high traffic environments, Locally made in-house and with a short lead time, Stoked is easily customisable, ideal for food courts, hospitality, education, streetscape, alfresco dining, rooftop bars, and work breakout spaces. The steel base is available in 27 powder-coat colours or a satin polished finish that can be paired with a range of table top shapes and finishes.

**Made In** Australia

**Dimensions** Table base diameter: 193mm  
Table height: 500mm, 695mm and 1020mm (+ top thickness)  
Table top size: for stability in commercial projects, it is recommended that a dining table base is two-thirds the proportions of the table top.

**Frame** Table top: supply your own or select from our extensive range of finishes.  
Top plate: 280mm SQ pressed steel  
Table post: 50mm DIA column, powder-coated or satin polished  
Table base: Steel base plate covered by a spun cover, powder-coated or satin polished.

---

## Sustainability

### Certified Materials

We use multipurpose compact laminates and non-porous solid surfaces that carry internationally recognised Environmental Product Declarations (EPDs).

### Recycled Materials

We locally source our steel. It means we know it uses recycled content and is 100% recyclable.

### Low Pollutants

Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).

---

## Warranty

2-year warranty. View the [warranty](#) for more details.

---

## Lead Time

3-4 weeks

---

## Assembly & Delivery

Shipped fully assembled on pallets.

---

## Fixing Detail

Surface fixed by others. Anchors not included.

---

## How to Specify

## Care Instructions

### Multipurpose Compact Laminates | Laminex®

A damp cloth will remove spills and greasy spots. Rub with a clean dry cloth to bring back brightness. Occasionally clean with mild dishwashing detergent. To remove heavy build-up of dirt use cleaners such as Mr Muscle, Windex, or Ajax Spray n Wipe spray cleaners.

Do not use strong acidic, alkaline cleaners or bleach for normal cleaning as these might etch the surface.

### Solid Surfaces | Corian®

Generally, when caring for Corian always start with a simple clean eg. using a damp sponge or cloth. Avoid using abrasive scouring pads for routine cleaning. Rinse clean.

For a deep clean of stubborn stains, a more thorough clean and refresh using a mild abrasive cleanser is recommended like Gumption, JIF Cream Cleanser or Ajax cream or powder cleanser. Firmly wipe with a damp cloth using a wide circular motion. Always finish by rinsing and wiping your surface with a damp cloth or sponge.

### Powder-Coat Finishes

Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

---

## Customisable

Custom heights and powder-coat colours available on request. Top plates and construction can be customised to suit table top weight and size.

---

## Additional Comments

Suitable for indoor and covered outdoor use.

For use in outdoor and in marine environments, the Stoked fixed table base is available on request.
