BOTANIST END TABLE

Tables » Low Tables

Contemporary, minimalist end table design, featuring 13 design options. Highly durable, slim aluminium profile available in 27 powder-coat colours.

Description	Combining a minimalist, slimline aluminium profile with an industrial-grade powder-coat finish, the Botanist end table cleverly conceals the true strength and durability of each piece for indoors or out. Designed by world-renowned creatives, including Karim Rashid (Orikami), Yves Behar (Pixel Burst) and Dario Antonioni (Flow), the Botanist end table is available in an array of cut-out designs and powder-coat colours to suit your project requirements.

Care Instructions

Powder-Coat

Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

Customisable

Made locally, custom laser cut-out designs are available to suit your project requirements that can include adding your own logo or design.

Additional Comments

Powder-coat recommendation is to use a textured or matt finish. The large flat surface areas of powder-coating can highlight imperfections or uneven surfaces when a gloss or satin finish is used.

All Botanist pieces feature a strong support structure and anti-theft security feet.

Outdoor use. Suitable for marine locations with suitable fixing hardware.
