BOWEN BIN

Bins » Bin Stations

Compact single, double bin stations with tray return, ideal for food courts. 120L capacity. Wide range of compact laminate options available.

Description With a simple, minimal aesthetic, the Bowen bin station is compact in nature while allowing for hygienic, contact-free waste disposal at a competitive price point. With a tray return and a range of limiter chutes to select from, Bowen can be used as a single or double unit, making it ideal for food courts, food outlets and canteens. Finishes include a wide range of compact laminate colours and textures to complement indoor or undercover environments.

Sustainability **Certified Materials**
We use laminates that carry internationally recognised Environmental Product Declarations (EPDs).

Recycled Materials
We locally source our steel. It means we know it uses recycled content and is 100% recyclable.

Finishes Body + Optional Limiter Panel
Indoor
Compact laminate

Outdoor Undercover
Alfresco compact laminate

Signage Engraved enamel filled signage is included on units with the garbage or recycling limiter panels for sorting at point of disposal, saving time and cost.

Optional vinyl decals can be added to the open chute on request.

Made In Australia

Lead Time 3-4 weeks

Assembly & Delivery Shipped fully assembled on pallets.

Fixing Detail Surface fixed by others. Anchors not included.

Care Instructions [Laminates | Laminex®](#)
A damp cloth will remove spills and greasy spots. Rub with a clean dry cloth to bring back brightness. Occasionally clean with mild dishwashing detergent. To remove heavy build-up of dirt use cleaners such as Mr Muscle, Windex or Ajax Spray n Wipe spray cleaners.

Do not use strongly acidic, alkaline cleaners or bleach for normal cleaning as these might etch the surface.

[Stainless Steel](#)

Wash the surface regularly using warm water containing soap or mild detergents and rinse the surface with fresh water after cleaning.

When polishing the surface with a soft dry cloth to ensure all moisture is removed, follow the direction of the grain finish.

Use a brush or soft damp cloth to remove loose deposits. Use a cream cleanser and soft cloth for difficult deposits.

Use "Star Brite Rust Stain Remover" to remove tea staining and "Star Brite Chrome & Stainless Steel Polish" to protect the surface after cleaning.

Never use cleaners containing harsh abrasives or high bleach contents. Prolonged contact with chlorine-based cleaners will cause surface pitting, which cannot be repaired.

Never use abrasive materials such as scouring pads, steel wool or metallic scrapers.

For stubborn stains or where "deep cleaning" is required, a mild abrasive cleaner or rust remover may be required.

Warranty 5-year warranty. View the [warranty](#) for more details.

Additional Comments

The contact-free waste disposal via the large opening or fixed limiter panels is hygienic and keeps customer safety front of mind.

The compact body is non-absorbent, preventing mop water from waterlogging and deteriorating the bin panels.

D handles for easy opening with commercial strength magnetic catches.

Heavy duty butt hinges will keep your doors level and issue-free throughout the life of the bin.

How to Specify

Choose your layout - single bins used solo or placed together as doubles
Select your chute type - open, garbage or recycling
Select your body colour
