Unique, compact, single bin for outdoor commercial spaces. 70L capacity. Powder-coated steel frame, aluminium hood in 27 colours. 4 cut-out designs.

Description	A unique, compact design, Maroubra is a robust streetscape bin, capable of handling the high demands of public spaces. The cut-out designs create a distinctive feature with visual appeal that contrasts with the galvanised inner liner. The perforated surface deters graffiti by markers and is also finger safe for children. The hinged hood prevents your bin filling with rain and discourages scavenging wildlife. Finishes include 4 cut-out designs and 27 powder-coat colours to suit many outdoor commercial spaces.

Care Instructions

Powder-Coat
Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

Customisable

Customise the base to your brand colours or waste channels.

Install bins in pairs to create general waste and recycling units.

Options to add logos as part of the perforations on your single bins for extra branding.

Additional Comments

The unique ribbon sled base is a sturdy, durable streetscape design - resistant to vandalism by force. A small footprint reduces rubbish accumulating around the base and it's easy to install.

The galvanised liner won't melt if lit cigarette butts are accidentally thrown into the bin.

The perforated body not only casts distinctive shadowing and contrasts with the galvanised inner liner but also deters marker vandalism.

Perforation designs are child safe, conforming to AS4685.1 finger entrapment guidelines on play equipment.

The hood is hinged for easy removal of the liners and ensures parts stay in place, deterring theft.
