The Torquay Bin Housing Single is a configurable bin that offers the flexibility to choose your preferred lid, power-coat colours and signage. Personalise the design to perfectly match your space's aesthetic, and take it a step further by adding perforation for enhanced airflow and modern touch.

Description

Introducing the Torquay Collection, a versatile and configurable waste management solution designed to meet the needs of various commercial spaces. Whether you're outfitting a shopping centre, school, university, or park, this bin collection provides the perfect blend of functionality, durability, and style.

Personalise your experience by choosing between a capsule, a shroud or a hood for waste disposal. Choose from 29 different powder-coat colours, allowing you to match the bin to your interior design perfectly. Whether you prefer a subtle, neutral tone or a vibrant pop of colour, there's a finish to suit your style.

Signage

Adding signage to a commercial bin offers several benefits that enhance both functionality and user experience. Signage clearly communicates the purpose of each bin, such as general waste, recycling, or organics, helping users quickly identify the correct bin for their waste as can be used to educate users about what materials are recycled or compostable, fostering a culture of sustainability.

Botton + Gardner designed options to better serve aesthetics and improve waste segregation with a stainless steel powder-coated screen enhancing the icons and defined lines available in small and large sizes.

Please see below our recommendations for this collection:
